My dear

I cannot help but feel that our meeting was a turning point in my life. It brought me closer to you, and I hope it brought you closer to me as well. Your kind words and gentle touch have left a lasting impression on me. I feel my heart beat faster with each passing moment.

Thank you for your understanding. I know that my previous behavior was unacceptable. I have learned from my mistakes and vow to make amends. I will do my best to be a better person from now on.

With all my love and dear ones,

I spent my life in the United States, where I have lived for over 60 years. I have always been a strong advocate for the protection and conservation of the environment. The experience of living in the United States has taught me the importance of preserving our natural resources. I believe that we need to take action to address climate change and protect our planet.

Sincerely,
